

Neve Hanna Fundraising Programs

Buy a Book, Build a Library — The Neve Hanna Library fosters a love of reading, provides additional vocational training, instills interpersonal skills and inspires the pursuit of higher education. Funds are needed to stock the shelves of their new library with additional books, purchase tablet computers and provide for a librarian.

Ziv Neurim — The *Path of the Sea* program works with 30 teenage boys and girls in need of intensive support in their development. Professionally guided group activities on the beach and in the sea are offered around topics such as perseverance, mastering challenges and personal willpower.

Streetlight — The teens plan, fundraise, purchase and pack parcels of food supplies for families in need within the Kiryat Gat community.

Bar and Bat Mitzvah Projects — Neve Hanna is affiliated with the Masorti Movement. It offers a traditional religious education where boys and girls have equal opportunities for learning and participation. The children have their Bar and Bat Mitzvahs during meaningful ceremonies at the Egalitarian Wall.

Donations to our programs are welcome with gratitude. AFNH is a 501C(3) tax exempt organization.
