Hanukka 2022

Dear Friends,

Hanukka, the Festival of Lights, is a time for family and friends, a time for redemption and rededication. As we prepare to rejoice with our loved ones and light our Hanukiyot, there is no more appropriate time to reaffirm and strengthen our commitment to our family in Israel, the children of Neve Hanna.

As we approach Hanukka, we are grateful to have the opportunity to invest further in the education and rehabilitation of our children and to share in their growth and development into successful young adults. American Friends of Neve Hanna is proud of the love and support we give our Neve Hanna family. Our Director, Itzik Bohadana, the staff and especially the children are most appreciative of all we do providing the funds to continue the programs we support: the new *Path of the Sea*, therapies, remedial teaching, extracurricular activities and the new Library – all projects that feed every child’s self-worth and need for creativity, freedom and fun.

Since our playground of 40 years had to be demolished, our children do not have a playground where they can just enjoy, play and have fun. Having fun is an important part of children’s growing up and succeeding in life, playing with friends and just being able to enjoy being a kid. Do you remember your days swinging and climbing when you were a kid?

Our **Hanukka Project for 2023** is all about **fun, fun, fun**. Our goal is to raise the necessary funds needed to build a safe, wonderful new playground for the children to enjoy. **With your help we can do it!**

On behalf of the American Friends of Neve Hanna staff and the Israeli staff and volunteers, we thank you, our valued partners for your continued financial support in recognition of our shared dedication to building a bright and successful future for the children of Neve Hanna.

We wish you and your families a Happy Hanukka.

Fondly with Shalom,

*Janet and Irwin*
